THERM-100

Our Current Products

ABM-100

Approximately 1 in 4 HVAC technicians/installers in North America are using this meter

Easy To Use – Automatically calculates velocity and volume real-time

Adds Instant Credibility – Provides detailed reports to enhance professionalism and validate work performed

Reduces Margin of Error – Onscreen guidance reminds the user to adjust for the presence of a grille and automatically calculates AK factor

Our Current Products

ABM-200

All of the features of the ABM-100 plus it's wireless. We also added temperature, humidity, and pressure sensors so that we can measure:

- Temperature Differential
- Dry Bulb Temperature
- Wet Bulb Temperature
- Heat Index
- Relative Humidity
- Dew Point
- Barometric Pressure
- Air Density
- Indoor vs. Outdoor Conditions Wind Speed/Direction/Gusts
- EXP-64 "No Ladder"

If You Can Dream It,
We Can Make It.

Please come visit our booth #5091 at the 2016 AHR EXPO in Orlando, January 25-2

Our Current Products

SPM-100

Powerful and accurate dual-port manometer that fits in your pocket.

The SPM-100 performs all of the functions of traditional handheld manometers plus many more features and advantages by harnessing the power of smartphone processors.

The app includes step by step instruction for performing the following tests:

- Static Pressure
- Pressure Differential
- Total External Static Pressure
- Indoor vs. Outdoor Pressurization
- Weather Data

Our Current Products

SPM-K1 NEW PACKAGING

All of the power and accuracy of the SPM-100 packaged with the PRB-KIT.

The SPM-K1 Kit Includes:

- SPM-100 Dual Port Static Pressure Meter
- Brass Gas Manifold Barbed Fitting
- Ergonomic Carrying Case
- Two 6' Sections Of Latex Tubing
- Two Stainless Steel Probes with Color Coded Magnetic Bases That Indicate Probe Direction

Our Current Products

TS-100 

TempSmart™

The Super Accurate and Super Small Temperature and Humidity Data Logger

- Stores 60-90 Days of Readings/Data
- Exports Professional Reports
- Small Enough To Keep On Your Keychain
- Measures Dry Bulb, Wet Bulb, Feels Like Temperature & Relative Humidity
- Temperature Accuracy of $\pm 0.2C$, $\pm 3\%$ RH
- Connects to Apple & Android Phones, Tablets & Smart Watches

Wireless  **Bluetooth**[®]
SMART

Our Current Products

THERM-100 

Thermal Imager

If a picture is worth a thousand words, the THERM-100 is the Library of Congress!

- The worlds first wireless portable thermal imager, uses Wi-Fi to send live video to Apple & Android devices
- Rugged weather resistant case is only 3" x 2" x 2" and can be placed on extension pole, tripod mount, head-band, cable, or remote vehicle
- Onscreen guidance shows technicians how to take critical tests
- Drop-down menu selection generates professional reports
- Uses inexpensive "off the shelf" Panasonic CR 123 rechargeable batteries last over 3 hours and extras can be kept on hand
- High resolution 19K pixel thermal images & CMOS visual camera for super sharp detail

Our Current Products

Smartphone Tool Accessories

PRB-KIT

Static Probe Kit

- Advanced Ergonomic Design
- Two 6' Sections of Latex Tubing
- Color Coded Magnetic Bases
- Directional Indicator Design

EXP-64

Smart Tool Extension Pole

- Reinforced Aluminum Pole
- Extends to 64" (vs. 28-32")
 - Custom Rugged Grip

TRI-MIN

Mini Tripod

- Utilized For Environmental Testing
- Avoids Human Contamination
 - Extends To 6-8"

Our Current Products

AAB Perpetual Improvement Program

Thanks to our tools being online connected devices, we continuously send our customers enhancements to products they have already purchased.

- Enhanced App Graphics
- Added Functions & Tests
- Remote Calibration Updates
- Enhanced Reports
- Additional Features
