Item # 4" 1-61-RF WCB SWING CHECK, Check Valves - Class 150

Design construction:

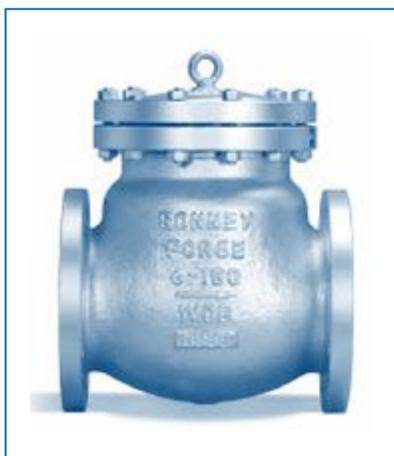

ASME B16.34

Pressure – Temperature Rating ASME B16.34

Face to Face / End to End ASME B16.10

Connection ASME B16.5 / B16.25

Testing and Inspection API 598

[Specifications](#) | [Material](#) | [Dimensions](#)

Specifications

Size	4
Connection Type	Flanged, Raised Face
Class	150
Weight	101 lb
Cv	518
First Pass Torque	20 ft/lb
Second Pass Torque	40 ft/lb
Final Pass Torque	65 ft/lb

Material

Bolt Material	B16 B7
----------------------	-----------

L7

Dimensions

L 11.50 in

H 8.54 in
